The West Hartford Public and School Libraries 2016 Summer Reading Program

Dear Parents,

Our partnership is critical to your child's success in school. We hope that you will read with your child, as this has been proven to be an important factor in developing lifelong readers.

Once again, the West Hartford Public and School Libraries are sponsoring the Summer Reading Program. Please join us in introducing our children to the wonderful world of reading for pleasure. Help them to explore places near and far, meet new people, and discover the wonders of the world, while powering their imaginations.

This reading list is provided to you to assist you in helping your child select appropriate reading material that you can share together.

Enjoy the journey!

Tom Moore
Superintendent of Schools
